

FUNDRAISING FOR OUR DREAM!

WHERE SECOND CHANCES BEGIN...

WELCOME TO

FUNDACIÓN CANYA SOS CAMPO DE GIBRALTAR

SOS CANYA is more than just a shelter. We are a team of dedicated volunteers passionately advocating for the rights of abandoned dogs since 2008. We excel at reuniting dogs with their owners, providing essential veterinary care, finding suitable foster homes, and facilitating adoptions into forever homes.

We believe every dog deserves a safe and loving home. We are committed to protecting, caring for, rehabilitating, and rehoming unwanted and abandoned dogs in need across all eight municipalities of the Campo de Gibraltar region.

WHAT WE DO

1. Rescue

We rescue dogs from various situations, whether they are strays, abandoned, or in distress. Every dog that comes through our doors is given a second chance at a happy and healthy life. As a no-kill rescue and adoption organization, we are committed to ensuring every dog finds a loving home.

2. Rehabilitate

Our team of dedicated professionals works tirelessly to rehabilitate dogs both physically and emotionally.

3. Re-home

Finding forever homes for our furry friends is at the heart of what we do.

4. Educate

We believe in the power of education to prevent future cases of abandonment and mistreatment. Our team provides resources and information on responsible pet ownership.

EVERY YEAR WE FEAR FOR OUR DOGS

Foundation CANYA SOS is situated within the confines of the Municipal pound, located in a high flood-risk area in the Palmones river valley. The onset of rain poses an immediate threat to all the dogs in our shelter.

Volunteers risk their own lives each year as the rains become increasingly extreme, rushing to evacuate the dogs from the pound. This is a heartbreaking situation that cannot, and should not, continue.

This is a heartbreaking situation that cannot, and should not, continue.

We have tragically lost dogs due to flooding. Each winter brings immense stress and fear for everyone involved.

WE HAVE A PLAN

We are at a pivotal moment in our mission to establish a purpose-built sanctuary for dogs, having secured 3 hectares in Los Barrios with 250,000 Euros raised through generous donations. Yet, our journey requires further support. To protect our dogs from the impending threat of floods next winter, we face the challenge of raising an additional 900,000 Euros in 2024.

Thank you for considering joining us on this life-saving journey.

Your support means the world to us and to every life awaiting our help.

Together, we can achieve the extraordinary.

WE'VE ALREADY COME A LONG WAY

January: We completed the purchase.

September: We obtained all the building permits.

November: We installed temporary enclosures for potential winter evacuations and laid out plans for 2024.

OUR DREAM

The initial phase involves constructing the four main kennel blocks on the right side (purple & orange).

- Each kennel block will house 44 kennels measuring 2m x 2m, each with its own 2m x 3m patio leading to a shared green area.

- A total of 176 kennels will be on the right.

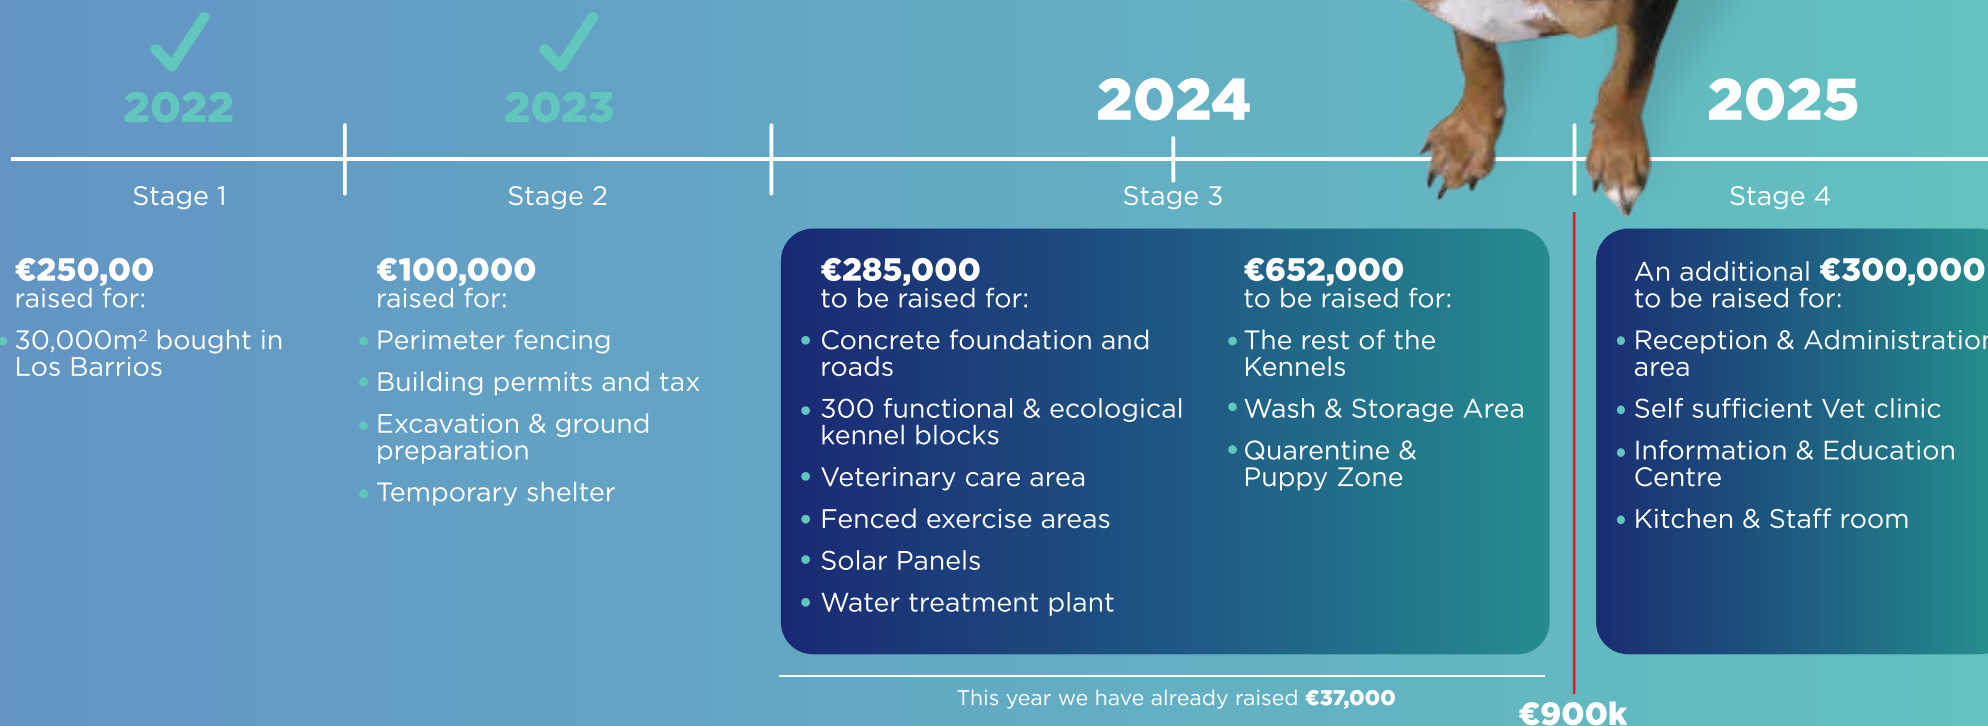

- The cost of each kennel block, excluding the foundation and facilities, is 130,000 Euros.

The subsequent stages will focus on building the quarantine area and puppy zone (yellow), along with larger kennels for our long-term residents (pink). In total, we will have capacity for 500 dogs.
